Taiwan HSCT & Cell Therapy Congress 2026

Unraveling the multifacets of GvHD: from pathogenesis to therapeutics

Date: November 14-15, 2026

Venue: Chang Yung-Fa Foundation Evergreen International Convention Center 8 F

SAT(Nov 14)	**Room 801**			**Room 803**		
Time	**Topic**	**Speaker**	**Moderator**	**Topic**	**Speaker**	**Moderator**
09:00- 09:50	**Satellite Symposium(1)**[Amgen] Debate: Transplant vs. No Transplant in B-ALL: Who, When, and Why?	***Dr. Hsin-An Hou*** / President, HST Vs ***Dr. Su-Peng Yeh*** / President, TBMT	***Dr. Yeu-Chin Chen*** / Tri-Service General Hospital	**Nursing session (1)** From Recovery to Work Participation After Allogeneic Stem Cell Transplantation: Understanding a Complex Survivorship Transition	***Assoc. Prof. Karine Bilodeau*** / Université de Montréal	***Ms. Jui-Yi Chen /*** Director, TBMT & ***Ms. Meng Kuan Chiang*** / Deputy Secretary-General , TBMT
09:50-10:00	**Opening**	***Dr. Su-Peng Yeh*** / President, TBMT ***Prof. Takanori Teshima*** (TBD)		Please proceed to the Room 801		
10:00-11:00	**Keynote Speech (1)** Lung GvHD	***Dr. Guang Ching Cheng*** / Fred Hutch Cancer Center	***Dr. Su-Peng Yeh*** / President, TBMT	**Nursing session (2)** Nursing Care for Acute and Chronic Graft-versus-Host Disease: From Early Recognition to Long-Term Functional Recovery	**Assoc. Prof. Hana Kiyohara**/ College of Nursing Art and Science University of Hyogo	***Ms. Jui-Yi Chen /*** Director, TBMT & ***Ms. Meng Kuan Chiang*** / Deputy Secretary-General , TBMT
11:00-11:10	Break					
11:10-12:10	**Main session (1)** Immunomodulatory properties of human mesenchymal stem/stromal cells	***Dr. Lin Ju Yen*** / National Health Research Institutes	***Dr. Su-Peng Yeh*** / President, TBMT	Please proceed to the Room 801		

	(hMSCs) for therapeutic use: one source does not fit all					
12:10-13:00	**Lunch Symposium (1)**[MSD] CMV Management Pathways: Integrating Viral Monitoring, Immune Assessment and Prophylaxis	***Dr. Po-Shen Ko*** / Taipei Veterans General Hospital	***Dr. Yin-Hsun Feng*** / Chi Mei Medical Center	**Lunch Symposium (2)** [Kirin] Treatment Strategies in Advanced CTCL: Where Does Mogamulizumab Fit	***Prof. Takatoshi Shimauchi*** / Hamamatsu University Hospital	***Dr. Tai-Chung Huang*** / National Taiwan University Hospital
13:00-14:00	**Keynote Speech (2)** The Gut Microbiome After Allogeneic HCT: Shaping Immune Reconstitution, GVHD, Infection, and Relapse.	***Dr. Kate Markey*** / Fred Hutch	***Dr. Hsin-An Hou*** / President, HST	Please proceed to the Room 801		
14:00-14:50	**Main session (2)** Microbiota and Fecal Microbiota Transplantation in Hematology: Focus on Steroid-Refractory Acute Gastrointestinal Graft-Versus-Host Disease	***Dr. Hsiao-Wen Kao*** / Linkou Chang Gung Memorial Hospital	***Dr. Tung-Liang Lin*** / Linkou Chang Gung Memorial Hospital			
15:00-15:10	Break					
15:10-15:50	**Main session (3)** Ocular Graft-Versus-Host Disease: From Pathophysiology to Multidisciplinary Management	***Dr. Wei-Lun Huang*** / National Taiwan University Hospital Hsin-Chu Branch	***Dr. Ming Yao*** / National Taiwan University Hospital	Please proceed to the Room 801		

15:50-16:30	**Main session(4)** Local GvHD-Skin	***Dr. Wei-Hsin Wu*** / National Taiwan University Hospital	***Dr. Liang-Tsai Hsiao*** / Taipei Veterans General Hospital
16:30-17:10	**Main session(5)** Novel insight into GVHD target tissue injury	***Prof. Takanori Teshima*** / Hokkaido University	***Dr. Chi-Cheng Li*** / Hualien Tzu Chi Hospital
End of Day 1			

SUN(Nov 15)	**Room 801**			**Room 803**		
Time	**Topic**	**Speaker**	**Moderator**	**Topic**	**Speaker**	**Moderator**
08:10-09:00	**Satellite Symposium(2)**[Takeda]	TBD	***Dr. Cheng-Hong Tsai*** / National Taiwan University Hospital	**Satellite Symposium(3)**[Gilead] Redefining Second-Line Treatment: Timely Axi-cel Intervention for Early Relapsed or Refractory DLBCL	***Dr. Sze-Hwei Lee*** / National Taiwan University Hospital	***Dr. Chia-Jen Liu*** / Taipei Veterans General Hospital
09:00-09:30	**What's New Series(1)** **Donor Selection**	***Dr. Yi-Chang Liu*** / Kaohsiung Medical University Chung-Ho Memorial Hospital	***Dr. Shyh-Shin Chiou*** / Kaohsiung Medical University Hospital	Please proceed to the Room 801		
09:30-10:00	**What's New Series(2)** What's New in Graft Engineering: From T-Cell Depletion to Precision Cellular Grafts	***Dr. Tzu-Ting Chen*** / China Medical University Hospital	***Dr. Yuan-Bin Yu*** / Far Eastern Memorial Hospital			

10:00-10:10	Break						
Time	**Topic**	**Speaker**	**Moderator**	**Time**	**Topic**	**Speaker**	**Moderator**
10:10-10:50	**What's New Series(3) HSCT-Cell Therapy in <u>Myeloma</u>**	***Prof. Sung-Soo Park*** / The Catholic University of Korea	***Dr. Nack-Gyun Chung*** / President, KSBMT	10:10-11:10	**Scientific session (5)** From Prevention to Rescue: Pediatric Haploidentical PBSCT GvHD Strategies from a Decade of Experience	***Dr. Te Fu Weng*** / Chung Shan Medical University Hospital	***Dr. Kang-His Wu*** / Chung Shan Medical University Hospital
10:50-11:30	**What's New Series(4) HSCT-Cell Therapy in <u>Lymphoma</u>**	***Dr. Lawrence Ng Cheng Kiat***/ Singapore General Hospital	***Dr. Chieh-Lin Teng*** / Taichung Veterans General Hospital	11:10-12:10	**Scientific session (7)** Beyond Cure: Fertility Preservation Pathways for Pediatric Patients Undergoing Chemotherapy and HSCT	***Dr. Ya-Wen Hsueh*** / China Medical University Hospital	***Dr. Meng-Yao Lu*** / National Taiwan University Hospital
11:30-12:10	**What's New Series(5) HSCT-Cell Therapy in <u>AML</u>**	***Dr. Cheng-Hong Tsai*** / National Taiwan University Hospital	***Dr. Tran-Der Tan /*** Koo Foundation Sun Yat-Sen Cancer Center				
12:10-13:00	**Lunch Symposium (3)**[Meiji] Advancing late-line belumosudil for treating patients with chronic GvHD: from evidence to practice in Korea	***Prof. Hee-Je Kim*** / The Catholic University of Korea	***Dr. Sin-Syue Li*** / National Cheng Kung University Hospital	**Lunch Symposium (4)** [Novartis] Optimizing Kymriah Success in Third-Line DLBCL: Insights from Real-World Practice and Early Apheresis Strategies		***Dr. Shih-Feng Cho*** / Kaohsiung Medical University Chung-Ho Memorial Hospital	***Dr. Hung Chang /*** Linkou Chang Gung Memorial Hospital
13:00-14:00	**Special session (2): Debate: Is HSCT Necessary for AYA Patients with Ph+ ALL?**	***Dr. Ting-An Lin*** / Taipei Veterans General Hospital vs ***Dr. Pei-Chin Lin*** / Kaohsiung	***Dr. Bor-Sheng Ko*** / National Taiwan University Cancer Center	Please proceed to the Room 801			

		Medical University Hospital		
14:00-14:10	**Closing**
