

APAC LUNG AND GI CANCER FORUM

DATE & TIME (GMT+8)
AUGUST 15 2026 | 14:40–18:50
AUGUST 16 2026 | 08:55–12:50

LOCATION
Prosperity Longevity Ballroom, B2,
Sheraton Grand Taipei Hotel

Reflect on a decade of progress and look ahead to the future of cancer care in **lung and gastrointestinal tumors**. Through plenary and breakout sessions, this forum will discuss real-world evidence, evolving multimodal approaches, and emerging treatment options to help improve outcomes for patients across Asia-Pacific.

Join Us In Taipei For A Two-Day Expert-Led Forum

24 esteemed
faculty from APAC
and beyond

18
scientific sessions

15 interactive case
discussions and
panel discussions

Networking
opportunities*

*Meals and refreshments will be provided, please reserve your time to join us.

Meet Our Esteemed Faculty

Germany	Prof Niels Reinmuth	Taiwan	Prof Ann-Lii Cheng
Hong Kong	Prof Victor Lee		Dr Derek Huang
	Prof Tony Mok		Prof Yi-Hsiang Huang
	Dr Natalie Wong		Prof Po-Ting Lin
Japan	Prof Hayato Nakagawa	UK	Prof Yu-Yun Shao
	Prof Makoto Nishio		Prof Jeng-Sen Tseng
Malaysia	Dr Soo Fan Ang		Prof James Chih-Hsin Yang
	Dr Malwinder Singh Sandhu		
Singapore	Dr Stephanie Saw	USA	Prof Richard Finn
	Dr David Tai		Prof Stephen Liu
South Korea	Prof Won-Mook Choi	Roche	Dr Vincent Gaillard
	Prof Se-Hoon Lee		Dr Joshua Yao-Yu Lin

Agenda Overview

Day 1 – August 15 2026 (Saturday)

Plenary Session

Time	Topic	Speaker	Moderator
14:00–14:40	Registration		
14:40–15:00	Opening Remarks	Dr Diana Liu Ms Raffaella Claudia Bondi Prof Yi-Hsiang Huang Dr Yung-Hung Luo	
Decades of Synergy: Celebrating 10 Years of PD-L1 and VEGF Inhibition in Thoracic and Gastrointestinal Malignancies			
15:00–15:15	How did Dual Blockade Transform Thoracic Oncology in the Last Decade?	Dr Derek Huang	Prof Tony Mok
15:15–15:25	Panel Discussion		
15:25–15:40	PD-L1 + VEGF Inhibition in HCC: From Hypothesis to Sustained Practice	Prof Richard Finn	Prof Ann-Lii Cheng
15:40–15:50	Panel Discussion		
15:50–16:00	Closing Remarks	Prof Ann-Lii Cheng	
16:00–16:10	Celebration Ceremony		
16:10–16:30	Coffee Break		
16:30–18:50	Breakout Sessions		
19:00–21:00	Networking Dinner		

The breakout sessions will run concurrently. Please select one session to attend.

Breakout Session – Lung Cancer

Personalizing First-Line NSCLC Care for Diverse Patient Profiles

Time	Topic	Speaker	Moderator
16:30–16:50	Opening Presentation: Confidence Beyond Biomarkers: Real-World Evidence of PD-L1 Agnostic Strategies in 1L Non-Squamous NSCLC	Prof Makoto Nishio	
16:50–16:55	Interactive Case Sharing	Dr Malwinder Singh Sandhu	Prof James Chih-Hsin Yang
16:55–17:15	Panel Discussion	Prof Makoto Nishio Dr Malwinder Singh Sandhu	
17:15–17:35	Maximizing Moments: Balancing Potency and Treatment Burden in 1L PD-L1 High Patients	Dr Shobhit Bajjal	Prof Se-Hoon Lee
17:35–17:40	Interactive Case Discussion	Dr Shobhit Bajjal	
17:40–18:00	Panel Discussion	Dr Shobhit Bajjal Prof Victor Lee Prof Niels Reinmuth	
18:00–18:20	Efficacy Without Compromise: Tailoring Immunotherapy for the Elderly and Frail Population	Prof Niels Reinmuth	Prof Victor Lee
18:20–18:25	Interactive Case Discussion	Prof Niels Reinmuth	
18:25–18:45	Panel Discussion	Prof Niels Reinmuth Prof Makoto Nishio Prof Se-Hoon Lee	
18:45–18:50	Closing Remarks	Prof Victor Lee	

Breakout Session – Hepatocellular Carcinoma

Liver Leaders Exchange: Maximizing Response, Maintaining Reserve in uHCC

Time	Topic	Speaker	Moderator
16:30–17:00	The uHCC Outcomes Quest: Translating Real-World Evidence into Practice	Prof Richard Finn	Prof Yi-Hsiang Huang
17:00–17:30	The uHCC Tightrope: Balancing Oncologic Response with Functional Liver Reserve	Prof Po-Ting Lin	
17:30–18:00	Case Panel 1	Prof Won-Mook Choi	Prof Ann-Lii Cheng
18:00–18:30	Case Panel 2	Dr Soo Fan Ang	Panelists: Prof Yi-Hsiang Huang Prof Richard Finn Prof Po-Ting Lin
18:30–18:35	Summary and Closing Remarks	Prof Ann-Lii Cheng

AUGUST 15 2026 | 14:40–18:50
AUGUST 16 2026 | 08:55–12:50

LOCATION

Prosperity Longevity Ballroom, B2,
Sheraton Grand Taipei Hotel

Agenda Overview

Day 2 – August 16 2026 (Sunday)

Plenary Session

Time	Topic	Speaker	Moderator
08:30–08:55	Registration		
08:55–09:00	Opening Remarks	Prof Tony Mok	
09:00–09:30	The Intelligence Revolution: How AI is Redefining the Next Decade of Oncology R&D	Dr Joshua Yao-Yu Lin (Genentech)	
09:30–10:00	Redefining the Standard of Care: A Deep Dive into Roche’s Future Pipeline for Solid Tumors	Dr Vincent Gaillard	Prof Tony Mok
10:00–10:20	Panel Discussion	Dr Joshua Yao-Yu Lin Dr Vincent Gaillard Dr Soo Fan Ang Prof Niels Reinmuth	
10:20–10:35	Coffee Break		
10:35–12:50	Breakout Sessions		

The breakout sessions will run concurrently. Please select one session to attend.

Breakout Session – Lung Cancer

Navigating the Next Wave of Targeted and Immunotherapy Innovations

Time	Topic	Speaker	Moderator
Entering a New Era: Past, Current, and Future Management in SCLC			
10:35–10:50	Current Evidence for Limited-Stage SCLC	Prof Se-Hoon Lee	
10:50–11:05	Redefining the Standard for ES-SCLC	Dr Stephanie Saw	
11:05–11:20	The Precision Frontier: Expert Perspectives on Future SCLC Regimens	Prof Stephen Liu	Prof Se-Hoon Lee
11:20 –11:25	Connecting Clinical Evidence to Daily SCLC Management	Prof James Chih-Hsin Yang	
11:25–11:45	Panel Discussion	Dr Stephanie Saw Prof Stephen Liu Prof James Chih-Hsin Yang	
Precision for Every Mutation: What Do We Expect in KRAS Drug Development?			
11:45–12:00	KRAS Biology: The Molecular Switch?	Prof Jeng-Sen Tseng	
12:00–12:15	Current Status in Second-Line Treatment Management for KRAS-G12C Mutation-Positive NSCLC	Prof Niels Reinmuth	Prof Tony Mok
12:15–12:30	Novel Development in Management of KRAS Positive Lung Cancer	Prof Tony Mok	
12:30–12:45	Panel Discussion	Prof Jeng-Sen Tseng Prof Niels Reinmuth	
12:45–12:50	Closing Remarks	Prof Tony Mok	

Breakout Session – Gastrointestinal Cancer (Hepatocellular Carcinoma)

Precision Through Synergy: The APAC Legacy of Multimodal Excellence

Time	Topic	Speaker	Moderator
10:35–11:00	The Era of Multimodal Treatment in HCC	Prof Hayato Nakagawa	
11:00–11:25	Recent Advancement of External Radiotherapy in HCC	Dr Natalie Wong	
11:25–11:50	Combining Y90 Radioembolization with Systemic Therapy	Dr David Tai	Prof Won-Mook Choi Prof Yu-Yun Shao
11:50–12:35	Panel Discussion and Q&A	Prof Hayato Nakagawa Dr Natalie Wong Dr David Tai	
12:35–12:40	Closing Remarks	Prof Yu-Yun Shao
